FOREST TREE SEEDLINGS

CHINESE ELM—We believe this to be the best tree for all around planting in Colorado. It grows rapidly, withstands drouth, free of insects and is very hardy. Plant six feet apart for a windbreak and if wanted for a low trimmed hedge plant one foot apart and trim back well. Prices quoted are for heavy, stalky seedlings, fresh dug and are sure to grow. Have your neighbor order with you and save money. Note these new low prices on seedlings grown from hardy, acclimated trees:
